This year the village the Rutland fair in September, and in revelves £67, which is the largest competition for the \$30,000 prize for a dence is entitled to participate and on who is 18 years old, is probably the George Schmidt returned home from

spending 10 days at the aviation grounds at Hempstead and Mineola, N. Y., and during his absence placed his order for an airship. At Mineola, Har-man, Baldwin, Russell and Saymour, the noted flyers, were engaged in practice work. Mr. Schmidt became a member of the Aeronautic society of New York. In two weeks the Schmidt brothers will go to Miceola, put their machine

together, and practice the new art of flying until their appearance at the Rut-land fair. The world's contest for the bortest time between New York and Louis will be held between August 15 and January I.

The machine purchased by the Schmidts is a biplane of the Curtiss type, of the same size as the machine in which Curtiss madh his sensational light from Albany to New York a few Boston - Queenstown - Liverpool weeks ago. It will carry a 60-horsepow. Dr. King's New Life Pills, for they cured order to give a large cooling surface, laria, headache, dyspopsia, debility. 25c will be one of 90-horsepower. The propeller will be seven feet in diameter, with a six-foot pitch, giving a thrust of 275 pounds. The main planes will be 30 feet by four and a half. The machine will weigh 175 pounds. It will be able to attain a speed of probably 50 miles an hour.

In the next two weeks, the Schmidts will practice with the hiplane glider, AUCTION SALE which they have been building during the past few months, and with which they have made successful flights. The cloth for the planes has been received. The Schmidts have made a study of
